CURRICULUM VITAE

EDUCATION

November 1, 2015-March 8, 2019	Ph.D. candidate, University of Trieste & University of Udine joint program – Ph.D. dissertation title: “The legal nature of EU Emission Allowances, Renewable Energy Certificates and Energy Efficiency Certificates”
October 2009-October 2014	Master Degree in Law <i>cum laude</i> , University of Trieste - Final dissertation paper on “Environmental liability and environmental damage assessment in Italy”
February 17, 2016 –April 27, 2016	Training course on European project management - Friuli-Venezia Giulia Regional Administration
September 2014	Moot Court Advocacy in Comparative law- University of Trieste
May 2014	Moot Court Advocacy in Constitutional law- University of Trieste
March-April 2006	Learning exchange programme- Canterbury (UK)

PROFESSIONAL EXPERIENCES

September 1, 2023 – Now	Assistant Professor of Climate Law and Governance (100%) – Faculty of Humanities and Amsterdam School for Regional, Transnational and European Studies, University of Amsterdam
February 1, 2021 – August 31, 2023	Assistant Professor of International and European Environmental Law (20%) – Faculty of Law, Hasselt University
February 18, 2019 – August 31, 2023	Post-Doctoral Research Assistant in Environmental and Administrative Law (80%) – Faculty of Law, Hasselt University
November 7, 2014 - May 7, 2016	Legal traineeship in a Trieste law firm (Studio Legale Giadrossi) - Specialism in environmental law and private law
December 2013-February 2014	Training period at the Criminal Trial Court of Trieste

RESEARCH EXPERIENCES

May 1, 2023 – May 15, 2023	Visiting researcher – Graz University, ClimLaw Center
January 6, 2023 – February 6, 2023	Visiting Researcher – Copenhagen University, Center for International Law and Governance (CILG)
September 15, 2017-December 15, 2017	Visiting Scholar - Columbia Law School and Sabin Center for Climate Change Law
September 27, 2017-December 2, 2017	Intern - Columbia Center on Sustainable Investment
June 19, 2017-June 23, 2017	Summer School on International Energy Law-Queen Mary University of London, Centre For Commercial Law Studies

TEACHING ACTIVITIES

2019-2023

Master of Law, Hasselt University:

- Course coordinator: Introduction to the European Union (3660) – 3 ECTS
- Course coordinator: European Environmental Law (3239) – 6 ECTS
- Course coordinator: European Climate and Energy Law (4594) – 3 ECTS
- Course coordinator: Research Methodology for Master Thesis – International Internship in partnership with Stellenbosch University and Pretoria University Law Clinics – 6 ECTS

Master of Biomedical Sciences, Hasselt University:

- Lecturer: Environmental policy – 3 ECTS

RESERCH AWARDS

- The Raúl Estrada Award for Emerging Scholars in Climate Law, Carbon & Climate Law Review, Lexxion Publisher, 2017

POLICY ADVISING ACTIVITIES

- Collaboration with the Project leader, prof. Paolo Bevilacqua, in the drafting of the Friuli Venezia Giulia' Regional Plan for management and remediation of diffuse soil pollution.

ACADEMIC PUBLICATIONS

Books (as editor):

1. K. Bosselmann, L. Westra, M. Fermeglia (eds.), *Ecological Integrity in Science and Law*, Cham (CH): Springer Publishers, 2020.
2. I. Alogna, C. Billiet, M. Fermeglia, A. Holzhausen (eds.), *Climate Change Litigation in Europe: Regional, Comparative and Sectoral Perspectives*, Intersentia (forthcoming in 2023).

Contributions in peer-reviewed journals

Case notes:

1. *Chi inquina, ripara: imputazione della responsabilità per danno ambientale e risarcimento dopo la legge europea 2013 (The polluter, pays. The Italian environmental liability regime after the 2013 reform)* (Trib. Livorno, 13.4.2015, n. 5261), *Responsabilità civile e previdenza*, 2015, n. 5, 1591-1610.

Articles in peer-reviewed journals:

1. M. Fermeglia, *La Cassazione delinea lo statuto del nuovo danno ambientale (Italian Supreme Court sheds a new light on the new environmental liability regime)*, *Nuova Giurisprudenza Civile Commentata*, nn. 7-8, 1109-1117.
2. M. Fermeglia, *The Show Must Be Green: Hosting Mega-Sporting Events in the Climate Change Context*, *Carbon and Climate Law Review*, 2017, vol. 11, n. 2, 100-109.
3. P. Bevilacqua, M. Fermeglia, L. Toneatti, S. Dore, *“The Italian Job”: Approaching and Tackling Diffuse Soil Pollution in the EU and the Italian Context*, *Journal for European Environmental & Planning Law*, 2018, vol. 15, n. 2, 127-146.
4. M. Fermeglia, *La tutela dell'ambiente e la lotta al cambiamento climatico nell'organizzazione dei*

- grandi eventi sportivi (Environmental and Climate Protection in the Hosting of Mega-Sporting Events)*, *Rivista di Diritto Sportivo*, 2018, n. 1, 119-139.
5. M. Fermeiglia, R. Leccia, *Il contratto tipo per il riconoscimento dei Titoli di Efficienza Energetica: problemi teorici e questioni operative (The Model Contract for the Acquisition of Energy Efficiency Certificates in Italy: Theoretical Issues and Practical Implications)* (with R. Leccia), *Contratto & Impresa*, 2018, vol. 34, n. 4, 1265-1283.

 8. “*International Investment Law and Climate Change: Competing Commitments and Potential Tensions in International Governance*”, INTRAlaw Workshop “Climate Change Litigation: Trends, Policy Implications and the Way Forward, University of Aarhus, June 15, 2018;
 9. “*Soil functions and Soil Protection in the Era of Climate Change: A Multi-level Legal Perspective*”, Ecological Integrity and Land Uses: Sovereignty, Governance, Displacements and Land Grabs, Global Ecological Integrity Group (GEIG) 26th Annual Meeting, University of Salerno, June 26, 2018.
 10. “*Environmental counterclaims in Investor-State Dispute Settlement: Rebalancing Investment Law through Environmental Liability*, Environmental Loss & Damage: Attribution, Liability, Compensation, 6th European Environmental Law Forum Annual Conference, University of Insubria (Como), September 13, 2018.
 11. “*Chi Possiede l’atmosfera? Quote di emissione, certificati bianchi e certificati Verdi tra paradigma proprietario e circolazione dei beni, (Who Owns the Atmosphere? The Legal Nature of Emission Allowances, Renewable Energy and Energy Efficiency Certificates)*”, XXXII Incontro di Coordinamento dei dottorati di diritto privato, University of Bologna, January 18, 2019.
 12. “*Soil and Climate Change: Bridging the Gap in the Multi-level Governance on Soil Protection*”, Harmonisation in Environmental and Energy Law, Hasselt University, March 28, 2019.
 13. “*International Investment Law and Climate Change: Competing Commitments and Potential Tensions in International Governance*”, VII Strathclyde Postgraduate Colloquium on Environmental Law and Governance, University of Strathclyde, May 1, 2019.
 14. “*Climate Change before the Courts: Turning the Tide on Climate Change Litigation*”, Global Ecological Integrity Group 27th Annual Meeting: Perspectives on Ecological Integrity in Science and Law, University of Trieste, June 24, 2019.
 15. “*The EU’s 2030 Climate and Energy Framework and how net metering slips through its net*”, GOVTRAN Workshop: Appraising the EU’s 2030 Climate and Energy Policy Framework, University of Helsinki, July 8, 2019.
 16. “*Energy Return on Energy Investment (EROI) and Its Implications for EU Climate and Environmental Law*”, 7th European Environmental Law Forum Annual Conference, Utrecht University, August 29, 2019.
 17. “*Climate change litigation: litigants, judges and decisions for fair and equitable climate justice*”, ClimaLab 2019 – At work for climate justice, Forte di Bard, Aosta (Italy), November 8, 2019.
 18. *Reconciling EU Tax and Environmental Policies: The VAT as a Vehicle to Boost Green Consumerism under the EU Green Deal* (co-presented with Francesco Cannas), 21st Global Conference on Environmental Taxation, online (hosted by Vermont Law School), September 24-25, 2020.
 19. *Reconciling EU Tax and Environmental Policies: The VAT as a Vehicle to Boost Green Consumerism under the EU Green Deal* (co-presented with Francesco Cannas), Hasselt University 1st Young Legal Researchers Conference, 21 December 2020 (online).
 20. *Assessing the EU Climate and Energy 2030 Framework Through the Prism of Foreign Investment Protection*, Jean Monnet Centre of Excellence “EU Global Leadership in the Rule of Law” XVIII Seminar Advanced Issues of EU Law, University of Zagreb, 13 May 2021 (online).
 21. *The Show Must Go On: Hosting Mega Sporting Events as a Climate Governance Tool*, Global Ecological Integrity Group 29th Annual Conference, Montreal University, 29 June 2021 (online).
 22. *The Long and Winding Road Ahead to Tackle Diffuse Soil Pollution in the EU*, IUCN Academy of

- Environmental Law Conference 2021, Groningen University, 1 July 2021 (online).
23. *Achmea and Beyond: What Are the Implications of the Termination of Intra-EU BITs for EU's Climate Policy?*, Society of International Economic Law Biennial Conference, Bocconi University, 9 July 2021 (online).
 24. *Workshop on the Horizon 2020 Phy2Climate*, 8th European Environmental Law Forum Annual Conference, Bournemouth University, 10 September 2021 (online).
 25. *Environmental Neutrality: Redesigning EU VAT to Support the Implementation of the European Green Deal*, 22nd Global Conference on Environmental Taxation, Groningen University, 24 September 2021 (online).
 26. *Making the European Green Deal Work: The Governance Regulation Between EU's Ambition and Member States Constraints*, European Green Deal and its Political, Legal and Economic Impact on Georgia, Georgian National University SEU, 10 February 2022.
 27. *Energy Return on Energy Investment (EROI): A net-energy yardstick for the use of CCS in the transition to a low-carbon economy*, VII Tarragona International Environmental Law Colloquium, 26 May 2022 (online).
 28. *"The Show Must Be Green": Hosting Mega-Sporting Events as a Climate Governance Tool*", IV International Conference of the Transatlantic Maritime Emissions Research Network (TRAMEREN), Copenhagen University, 1 June 2022.
 29. *Energy Return on Energy Investment (EROI): A net-energy yardstick for the use of CCS in the transition to a low-carbon economy*, Workshop: L'économie circulaire du carbone, University of Lille, 16 June 2022.
 30. *Phytoremediation as a nature-based solution to soil remediation and biofuels production in the EU: insights from the Horizon 2020 Phy2Climate project*, Global Ecological Integrity Group 30th Annual Meeting, University of Salerno, 29 June 2022.
 31. *Legal issues for the uptake of phytoremediation as nature-based solutions for contaminated sites in the European Union*, 2022 IUCN Academy of Environmental Law Colloquium, Queensland University of Technology, 13 July 2022 (online).
 32. *Forging a double-edged sword: the role of foreign investors' due diligence to reconcile EU's foreign investment protection and climate policies*, 9th European Environmental Law Forum Annual Conference, Universitat Rovira i Virgili, Tarragona, 21 September 2022.
 33. *Two bright sides of the same coin: Squaring the circle between phytoremediation of contaminated soils and production of advanced biofuels*, 2022 IUCN WCEL Oslo International Environmental Law Conference, University of Oslo, October 4, 2022.
 34. *Assessing the EU Climate and Energy 2030 Framework through the prism of foreign investment protection*, European Green Deal and the impact of the climate change on the EU regulatory framework. Searching for coherence, Jagiellonian University, 29 October 2022 (online).
 35. *Empowering cities against climate change through transnational governance networks: The example of Belgium*, Cities in the Age of Climate Change, University of Lisbon, 30 November 2022.
 36. *Fostering the Uptake of Phytoremediation and Low- ILUC biofuels in the EU: Evidence from the H2020 Phy2Climate Project*, IUCN Academy of Environmental Law Colloquium, University of Eastern Finland, 31 July – 5 August 2023.
 37. *Retooling the principle of integration un-der the EU Green Deal – The nexus be-tween public procurement and climate change*, European Environmental Law Forum Annual Conference, University of Leipzig, 30 August – 1 September 2023.
 38. *A Full and Just Reparation? Rethinking the Standards For Compensation in International Investment Law Against the Energy Transition*, Just Transition and International Law, University of Dundee, 7-8 September 2023.

CONFERENCES, SEMINARS AND WEBINARS (AS ORGANISER)

1. *I Universities of Udine and Trieste Annual Legal Sciences Doctoral Conference*, University of Trieste, May 11, 2017.
2. *II Universities of Udine and Trieste Annual Legal Sciences Doctoral Conference*, University of Udine, April 20, 2018.
3. *Global Ecological Integrity Group 27th Annual Meeting: Perspectives on Ecological Integrity in Science and Law*, University of Trieste, June 24-29, 2019.
4. *Global Pandemic Network Webinar, COVID-19 and Cities - Building Resilience on Human Rights and Environmental Protection*, Zoom platform, July 15, 2020. Coordination of the Working Group on “Covid-19, Cities, Pollution & Climate Change” (on-going).
5. *Covid-19 Response Measures and the Protection of Foreign Direct Investments: Protecting Legitimate Expectations or Cashing In on the Pandemic?*, Hasselt University, Copenhagen University and Global Pandemic Network joint webinar, January 28, 2021.
6. *Building Back Greener: Rethinking Investment Protection to Fit the European Green Deal*, Panel co-organised at the Society of International Economic Law Biennial Conference (online), July 7, 2021.
7. *Climate Change Litigation in Europe: Comparative & Sectoral Perspectives and the Way Forward*, Hasselt University and British Institute for International and Comparative Law joint hybrid conference, Hasselt University, February 18-19, 2022.
8. *Climate Justice: Sharing European and African Perspectives*, University of Pretoria, Faculty of Law, July 27, 2022.
9. *Expert Roundtable: The Energy Charter Treaty at a Crossroads*, Hasselt University, Copenhagen University and Seven Summits Arbitration joint webinar (online), September 8, 2022.
10. *Investor-State Dispute Settlement as an Avenue for Climate Change Litigation*, Sabin Center for Climate Change Law seminar (online), November 18, 2022.
11. *Technological breakthroughs for climate neutrality in Europe: Challenges and Perspectives*, FWO Scientific Research Network “Climate change law in Europe” Workshop, Hasselt University, December 16, 2022.
12. *The Energy Charter Treaty between Modernization and Termination: Prospects for Danish Energy Investors*, University of Copenhagen, Faculty of Law, January 19, 2023.

MEMBERSHIP OR AFFILIATIONS IN RESEARCH GROUPS AND EDITORIAL GROUPS

- External Voluntary Researcher, Hasselt University, Belgium.
- Member, Global Ecological Integrity Group.
- Member, IUCN World Commission on Environmental Law Specialist Group: “Soil, Desertification and Sustainable Agriculture”.
- Member, IUCN World Commission on Environmental Law Specialist Group: “Climate Change Law”.
- Member, Columbia Law School Sabin Center for Climate Change Law Global Peer Review Network on Climate Change Litigation (rapporteur for “Italy” and “Investor-State Dispute Settlement”).
- Member, Advisory Board of the ClimLaw Center – University of Graz.
- Non-Resident Fellow, Development and Rule of Law Programme (DROP) – University of Stellenbosch.
- Associate Editor, *Journal for European Environmental and Planning Law*, Brill Publishers, ISSN: 1876-0104.
- Editor, *The GPN Journal*, Aracne Editore, ISBN: 979-12-5994-435-1.

- Editor, European Journal of Law and Technologies, Giappichelli Editore, ISSN: 2704-8012.
- Reviewer, Review of European, Comparative and International Environmental Law, Wiley Publishers, ISSN: 2050-0394.
- Member, Analysts Network, EU Law Live, ISSN: 2695-9585.
- Board of Reviewers, Energies (ISSN: 1996-1073) and Sustainability (ISSN: 2071-1050), MDPI.
- Member, IUS Commune Research School in Transnational Environmental Law.
- Member, European Environmental Law Forum (EELF).
- Member, Italian Association of Energy Law (AIDEN).

GRANTS AWARDED AND PARTICIPATION IN RESEARCH PROJECTS

- January 1, 2021 – 30 June 2025: Coordination of Work Package 6 in the Horizon 2020 Research and Innovation Action project: “A global approach for recovery of arable land through improved phytoremediation coupled with advanced liquid biofuel production and climate friendly copper smelting process (Phy2Climate)”, total duration: 54 Months. The project is funded under Grant Agreement n. 101006912. Total grant: 297.138,75 EUR.
- January 1, 2022 – 30 June 2023: Coordination of WPT3 in the Meuse-Rhein Interreg project “Solar Energy Made Regional (Solar EMR)”, total duration: 18 Months. Total grant: 95.019, 42 EUR.
